Brief Biography

Founder/Managing Director and Regulatory Affairs (RA) consultant at Pharmaconsulta Ltd. Leading a team of RA consultants to provide advice on Global regulatory GxP (Good Manufacturing/Distribution/Laboratory Practice) matters ensuring compliance with the regulations as defined by the relevant regulatory bodies worldwide, the European Medicines Agency and the laws pertaining to the business.

The firm's associates are contract responsible persons, laboratory analysts and qualified persons for manufacturing and pharmacovigilance. Pharmaconsulta Ltd deals with manufacturers, distributors, marketing authorisation holders and laboratories both in and outside the EU carrying out full on-site audits and preparation for EU inspection. Through relevant regulatory bodies and the Malta Medicines Authority, our consultants assist with applications for GMP licences, GMP certificates, medicinal product batch release and certificates of pharmaceutical products.

Pharmaceutical wholesale dealers contract Pharmaconsulta Ltd for GDP services. From efficient supply chain planning, document creation, preparation of SOPs, maintaining records, store preparation and maintenance, to newly obtaining, maintaining and/or renewal of a wholesale dealer's GDP licence to buy and sell pharmaceuticals.

New Product first time registration and life cycle management for a number of medical products, food supplements, medical devices are all part of the daily mandates of the Firm.

Finally, EU QPPV services, LCPV services covering local literature tracking and monthly reporting for a number of Marketing Authorisation Holders, Pharmacovigilance compliance, variation application submission and DHPC review and distribution services.
